Call for Scientific Contributions

- Paper submission: 15.03.2026
- Notification of acceptance: 20.04.2026
- Final program: 11.05.2026

Papers must be submitted in their final version by **15 March 2026** via the “Submission of contributions” page at www.aidii.it. Papers may be written in Italian or English and must follow the online author guidelines.

The Scientific Committee will notify the corresponding author regarding acceptance and presentation format (oral or poster). All accepted papers will be published in the Conference Proceedings in the Italian Journal of Industrial and Environmental Hygiene (IJOEHy).

Note: At least one author must register for the conference for the paper to be published.

For Continuing Education Credits (ECM) purposes, authors must submit:

- Speaker CV and data processing authorization.
- One multiple-choice question related to the contribution (with only one correct answer, highlighted in red).

Continuing Education Credits (ECM)

Continuing Education Credits (ECM) accreditation will be requested for Medical Doctors, Biologists, Chemists, Physicists, Nurses, Prevention Technicians, Audiometry Technicians, Biomedical Laboratory Technicians, and Health Assistants.

Furthermore, accreditation will be sought for RSPP professional updating (Legislative Decree 81/08 and amendments) and as professional development hours for ICFP Certified Industrial Hygienists.
